Song 1

Scene 1

Fairy Mary: Welcome to boys and girls ladies and gentlemen to the magical story of Snow White. I am Fairy Mary I am quite contrary. I can produce magic with one wave of a wand. I can make a pretty frog from just a pond. In this magical story I am here to guide you all, you can be sure you'll have a ball. When you see the wicked Witch be sure to boo there is nothing about her that rings proud and true. I will leave now and not let you ponder and let you watch a show of wonder!

(Enter The Evil Queen)

Queen: Oh dear if it isn't Hairy Mary

Fairy Mary: That's Fairy Mary, you nasty Queen

Queen: Fairy Mary? Is that name you go by these days?

Fairy Mary: Boys and girls, this is a lady who is really very bad, she drives most people quite mad. A wicked Queen who will turn any mood sour, so lucky then that we have a fairy this hour!

Queen: See your rhymes haven't improved? Has anyone ever told you how boring you are?

Fairy Mary: Yes, you!

Queen: Oh no you caught me out with that one; you're far too quick for me.

Fairy Mary: Well sarcasm is the lowest form of with and the audience will soon see that you are one royal twit!

(Exit Fairy Mary)

Queen: Royal Twit! Who does she think she is? I am truly very nasty, just like a Cornish pasty. Drat now I am speaking in rhyme. Now what's the time? Argh can't stop this infernal poetic speaking, but anyone who boos me will

get a good beating! (Business if needed) Oh boys and girls you may boo and hiss, I really don't give a...

(Enter Dame Molly Lolly)

Molly: shimmy, shimmy, shimmy (Pause) Oh it's you

Queen: Why aren't you in the stables?

Molly: Because I am here

Queen: Where is that exactly?

Molly: You tell me it's your castle

Queen: Don't be smart with me

Molly: I wouldn't dare be smart, you'd never understand me!

Queen: Watch your tongue! Now get back to work, I'll be back and then you'll all be sorry!

(Exit the Queen)

Molly: What a nasty woman! Well hello boys and girls. I am Dame Molly Lolly, but you can call me Molly. Do me a favour and make old Molly happy! Every time I enter and I say Hello Boys and Girls, call out Hello Molly Lolly. (Business with audience)

I work in the stables for that Evil old Queen you just met. She is so pretty but as horrible as a marmite sandwich. She's as scummy as a toilet seat and as smelly as Fratton Park. I work in her stables, which reminds me, where oh where is Dobbin, my horse. The Queen's is called Lightning he is having his shoes repaired today by Mr Clark! (Pause) the jokes won't get much better! But where's Dobbin?

(Dobbin enters)

If you see him you will give me a call won't you? (Business with audience) Oh there you are useless. He is so awful this horse he was given outside odds of 100 to 1 in a solo race.

I've told him if he doesn't start pulling his weight he'll be off to the glue factory. He can't tell his nose from his, well you know what. Anyway where's that Snow White she is supposed to be helping me today. If you see her boys and girls be nice to her she's been really down of late. Well best get going got muck out all the horse poo! Bye for now boys and girls.

Blackout

Scene 2

Enter Snow White

Snow White: Oh I am so sad, since my father died, my step mother, has been really mean to me. Have you met my step mother? She is the horrible Queen! She makes me scrub from dawn to twilight! She has warned me if I get to clever she'll put me in an iron mask in the deepest dungeon. What I really need now is someone to love me

Song - Somebody to love Snow White

(Enter Molly and Dobbin)

Molly: Hello Boys and girls

Snow White: Dobbin! Hello Molly

Molly: Hello Snowy you still down in the dumps?

Snow White: Yes Molly, I really feel lonely here at times, you're in the stables, I am stuck scrubbing floors and I have no man to care for me.

Molly: Oh don't worry love with your looks you'll soon have a handsome price to sweep you off your feet. Like that chap there! (Chooses someone in the audience) Wait a minute, on second thoughts not him! Must be on day out, bless you! What's your name? well keep it down(name) this show isn't about you! Anyway yes you'll soon find a handsome man with looks like yours.

Snow White: You sound like you speaking from experience

Dobbin: No she said someone with your looks; with Molly's looks she'd be lucky to find someone to knock her off her feet

Molly: Oh you rude little horse

Dobbin: Been looking on the mirror again?

Snow White: You two are funny

Molly: He's definitely something! Well it's nice to see you smile again. Any way we best be off Lighting has had the runs again, so we're going to be elbow deep in manure for the next hour!

Dobbin: Not sure about the, we're, bit. My hooves are going nowhere near runny poo!

Molly: Dobbin fetch me my Marigolds and a pair of pliers!

(Exit Molly and Dobbin)

Snow White: Pliers? She is odd that one. But I need to get back to cleaning as well or I'll be in trouble. See you later boys and girls.

(Exit Snow White)

Scene 3

Fairy Mary: Snow White is such a pretty girl, who can make a man faint, with just one twirl. She wants to meet Mister Right, but her life is anything but light! What she needs is a lucky break. Good things come to those that give more than take. Here comes her evil step mother who is nothing but bother

(Enter the Queen)

Queen: Hello again Fairy liquid. What do you want old fool?

Fairy Mary: I am just talking about the beautiful Snow White

Queen: Yes well what can I say?

Fairy Mary: Snow White is prettier than me?

Queen: You are cruising for a bruising sister! Now get lost you goody two shoes, this plot line is about to become red hot!

Fairy Mary: This is not the last you will hear from me

Queen: Let's hope it's the last of the rhymes!

(Exit Fairy Mary)

Queen: So boys and girls eh? Oh goodness just look at you! More like goblins and ghouls! You can boo me if you like but I will just turn you all in to toads.

(Mirror coughs)

Queen: I told you Mirror, to go see a Doctor

Mirror: And I did, I said Doctor I think I have a cough; he said I think you need glasses. I said whys that, he replied because this is a fish n chip shop!

Queen: Oh for a really truly world class comedian!

Mirror: Velcro what a rip off!

Queen: Don't

Mirror: A train load of tortoises ran in to a car full of Terrapins. Now that was a turtle disaster!

Queen: No really stop! For I have a question!

Mirror: What on earth could that be?

Queen: Mirror mirror on the wall, who is the fairest if them all

Mirror: Well I wasn't expecting that one! (Pause)

Queen: Guards! Fetch me a hammer!

Mirror: Alright alright! In all of fairy land I can truly say that there is one true beauty and that is Snow White! She is the fairest of them all!

Queen: What?

Mirror: Snow White, your step daughter (*Pause, whilst the Queen looks seething*) not the response I was expecting. Look your majesty, you are truly beautiful but I cannot lie I am a magic mirror from IKEA, a funny one at that, but now she has come of age, Snow White is truly the most beautiful and fairest of them all.

Queen: Argh! Bring that ugly little imp to me at once!

(Molly and Dobbin enter)

Molly: Hello boys and girls

Queen: What do you want?

Molly: Just wondered if you had asked the mirror your weekly question yet?

Queen: Yes

Mirror: And it wasn't you, cuz youz ugly, you ugly, got a big fat butt and youz ugly, your ugly...

Queen: yes I think we get the point!

Dobbin: I didn't

(Enter Snow White)

Snow White: mother

Queen: How dare you call me that! You are to leave these grounds at once!

Snow White: What? Why?

Queen: Molly has just told me

Molly: I have

Queen: You have

Molly: I did

Queen: You did

Molly: well then I must have

Snow White: Molly how could you?

Molly: I don't know! I don't what I said yet!

Queen: You are banished from this house and my kingdom and I never want to see you again. If you so much as show your face round here, I will lock you up in my dungeon or worst burn you at the stake!

Snow White: But...

Queen: Guards, take her away

(Enter Guards who take Snow White away)

Dobbin: Now Mirror what point were you trying to make about Molly earlier?

Mirror: Molly! youz ugly, youz ugly, gotta big fat butt and youz ugly!

Molly: I'll give you ugly! (Threatens the Mirror)

Queen: Molly that's my special mirror!

Molly: Sorry your nastiness! What has poor Snow White done to deserve banishment?

Queen: She was stealing from me

Molly: Really? She seemed such an honest girl!

Queen: Now I have a migraine, leave at once.

Mirror: Youz ugly...

Queen: Put a sock in it!

(Molly sticks her tongue out at the mirror)

Queen: Now I can weave a little magic, a nice thunder storm that will drown that little Snow White, we'll see who is the fairest of them all.
(Cackles with laughter)

Mirror: Witch!

Rabbit: You got lost in the storm

Squirrel: We saved you

Badger: You're beautiful

Rabbit: Are you a princess?

Snow White: No, not anymore...

Fox: We think you should be

Rabbit: You should live in a castle not a house like that

Snow White: Do you live here?

Badger: No we are animals we live in the forest!

Fox: I know who lives here, Ant and Dec!

Goldilocks: Yeah thought so, your skin looks dry! Trying to break in?

Snow White: Absolutely not!

Goldilocks: Alright chill sister. Look I know the owner, well owners, of that house and they are really daft!

Snow White: More than one owner?

Goldilocks: A few, don't be scared, they are a small issue! (To the audience) See what I did with that one? Bet you could have a small meal, glass of water and enough sleep to make you feel a tiny bit better! (To audience) See I am funny! They won't even notice you were here!

Snow White: My, that does sound nice!

Goldilocks: Here (Goldilocks picks the lock and opens the door) There you go, have fun! Just tell them I said you could stay here

Rabbit: You shouldn't just enter a house that isn't yours

Badger: How do you know she knows the owners?

Fox: That makes me a sad Panda

Badger: Fox

Fox: Yes! A very sad Fox!

Snow White: Well I won't stay long!

Bear: That'll be the one she keeps breaking in to our house and smashing up all the little one's things!

Snow White: Oh she sounds really awful

Bear: Well must keep going or I'll have to eat you instead!

Snow White: Oh!

(Exit Bear)

Snow White: That bear was scary. I think I'll be safer in this lovely little house I think I will go on in, wish me luck!

Guard: He's not a lady!

Queen: My patience are running thin. Who is he?

Guard: He is known as many names but in this play his known only as the Hunter!

Queen: Excellent! Bring him in!

Queen: Right let's make this easy Mirror! Who in all of Adventure land is the fairest, the most beautiful and cleverest of them all?

Mirror: Wow, you don't make this easy do you? Uhm let's try google! You could have just said fairest that would have narrowed things down a little! (Pause) Just got to get rid of the pop up's!

Queen: Guard Hammer!

Mirror: Alright keep your knickers on! Here goes! In the entire land the prettiest of them all is...

Queen: Yes!

Guard: A pig!

Queen: What, what, what! (Yells) **WHAT!**

Mirror: Look I am a humble even if sometimes, cheeky messenger! Just a messenger!

Queen: But I have her heart right here

Guard: No you don't!

Queen: What?

Guard: This heart belongs to a Pig! My dad was a butcher. And his dad before that, in fact...

Queen: Yes, yes we don't need your family history, you are a minor character! (Pause) So she is still alive then? Then I shall just have to take care of this myself!

Guard: Can I have this one for dinner?

Queen: After this spell!

Spirits and sisters of twilight,

Lend me the power of night

Twist my features and make me a hideous creature

(A wind rustles up and the Queen is now an Old Hag!)

Old Hag: Now make this fruit a venomous poison
Though it may taste sweet it will have the
opposite treat
Who tries to eat this will certainly reap
Just one little bite will send them to sleep!
Forever (cackles)

Guard: She looks like a Witch!

Mirror: That's what I have been saying all along!

Old Hag: Now that horrible little girl will never turn
a poor old lady away! You see Mirror and
pointless comedy Guard, the sleep that will
hit Snow White will give her the look of death
for all those that around! Now let's go for a
walk. HAHAAHAHAH!

Mirror: You lot better have a break!

Guard: The interval! Get me some sweets!

Snow White: Right this place looks very clean, now maybe
I'll catch 40 winks myself!

(Knock at the door)

Snow White: I wonder who could be walking around in that
weather out there.

(Opens the door and the Old Hag walks in)

Snow White: Oh you poor old thing come in!

Old Hag: Thank you deary! It's terrible weather and I
am all alone! I am also very poor!

Snow White: Oh dear!

Old Hag: Now I have a little something for you, to say thank you for letting me in out of that storm.

(Grumpy wakes up as the Old Hag pulls out an apple!)

Old Hag: A nice juicy apple for you, I found it just around the corner!

Grumpy: Don't do it Snow White!

Snow White: OH grumpy you would say that!

Grumpy: Do you think she should eat it Boys and girls?

(Business with audience)

Old hag: You have judged me wrong, little one!

Snow White: Look Grumpy what's the worst that can happen?

Old Hag: eternal sleep!

Snow White: What was that?

Old Hag: I could do with a long sleep!

Snow White: Me too! (She bites the apple) Oh dear I feel funny!

Grumpy: I told you

(Snow White faints)

Grumpy: What have you done?

Old Hag: Me? Nothing! She may have trouble waking up though! Oh and if you try and tell the rest of these maggots what happened they won't believe you?

Grumpy: Why not?

Old Hag: Cuz this is a pantomime and I just cast a spell! HAHAAH! Now home I shall go!

(Exit the Old Hag)

Grumpy: Quick wake up Snow White!

(Enter Fairy Mary)

Fairy Mary: Oh dear it seems that Snow White is in a spot of trouble

I know just the thing to break this horrendous bubble

A spell that makes evil deeds not what they seem

Cosmic fairies and sleepy dust awake this wonderful Princess from her nightmare dream!

Grumpy: Well that didn't work!

Fairy Mary: It seems this spell is stronger than first thought.

Something else is needed to save Snow White from this horrible fraught. Situation!

Although awake you cannot, I shall awake up this little lot

They shall help you find a true handsome Prince, When true love's kiss hits you shall not wince

You will awake and feel happy not worse

For true loves kiss shall break this terrible curse

Grumpy: This better work, (Exit Fairy Mary) Oh everyone is waking up! Has your spell broken my curse? Fairy? Quick everyone an Old Witch has poisoned Snow White

Lanky: What!

Happy: On no she is asleep!

Grumpy: I am telling you an Old Witch broke in here and poisoned her

Weepy: Why would you tell such lies?

Nerdy: What did this vision of your imagination use to poison this young lady?

Grumpy: Why an Apple!

Nerdy: Where is the evidence?

Dopey: He ate it

Sleepy: No it didn't exist

Happy: She won't wake up

Lanky: She is dead!

Grumpy: No she needs a true love kiss to wake her!

Lanky: That's fairy tale nonsense

Happy: But we are in a fairy tale

Lanky: Oh he is right!

Grumpy: We need to find a Prince to release her from this spell!

Jokey: When is a Witch not a witch? When she is ash!

Grumpy: what kind of joke is that?

Jokey: A dark joke! A joke that will further my career!

Happy: Well I think we need a plan of action!

Lanky: Yes, let's lie her somewhere and...

Dopey: On a barrel!

Grumpy: We should send a message round the kingdom that we need Princes and brave people to release her from a curse!

Lanky: Look Grumpy stop this lying!

Happy: Look Grumpy usually disagrees with anything positive! Maybe he has a point!

Sneezy: We should build a glass case to display her in!

Sleepy: What to protect her from your germs when you sleep?

Sneezy: No to stop you falling asleep anywhere near her!

Lanky: Lads please, you four will build the casket!
Us lot will deliver a message!

Nerdy: Do the Maths! There's not enough of us!

(Molly Whistles)

Molly: A couple of days ago I saw a tanker that could
pull that rig, you want to know about it, then
talk to me!

Dobbin: Sorry Molly's been watching Mad Max recently!

Molly: What happened! What I meant to say was Snow
White has a lot of friends who could help
deliver the message!

Dobbin: (Whistles) Come to me woodland friends!

(Enter all the woodland animals!)

Rabbit: What is it Dobbin?

Dobbin: We need you to deliver a message!

Fox: What message?

Badger: An adventure!

Old Hag: Very well! Swoosh! Where were the special

(Enter Fairy Mary)

Fairy Mary: Not so fast you nasty Queen!

Guard: Witch!

Queen: Be quiet you!

Fairy Mary: For your information, your curse isn't as powerful as you first thought

Queen: Oh really? What have you done that could possibly change a thing?

Fairy Mary: I have reduced eternal sleep to 100 years!

Queen: Oh is that all! Wait that's sleeping Beauty!

Fairy Mary: Well the case is a true as that of Sleeping Beauty. If true love kisses Snow White then your curse will be broken!

Queen: What? Well as if that's going to help the only witness was cursed so no one will believe that Grumpy little poo stick!

(Enter Dopey and Sneezy)

Queen: What do you two little Imps want?

Dopey: Forgot!

Sneezy: (Sneezes)

Guard: Lovely!

Sneezy: We have a message, Snow White has been cursed and we are inviting all handsome men...

Dopey: And Women

Sneezy: No not women, it's not that kind of pantomime!

Queen: Carry on fools!

Sneezy: All handsome men to kiss the sleeping Beauty that is Snow White!

Queen: Really? Why might that be?

Dopey: To wake her up, duh!

Fairy Mary: Yeah duh!

Mirror: Yeah duh!

Queen: Alright I get the message!

Dopey: Right we're off!

(Sneezy and Dopey exit)

Dopey: Who was she?

Sneezy: Beats me!

Queen: Right so now I know all about it Hairy Mary I shall concoct a devious plan!

Fairy Mary: You may have won this battle but I shall win the war (Exit)

Queen: So Mirror, I shall now once again disguise myself as a man and when my kiss falls upon Snow White I shall upgrade my curse from sleep to death upon this Sleeping beauty!

Guard: So is that actually Sleeping Beauty or Snow White we're talking about?
