## Costume List

<p><b>Old Hag/Captain Jack/Animal - lizzie</b></p>	<p>Old hag - needs a shawl and if desired an old lady mask.          Captain jack needs the hat and beard etc          Animal - animal face paint and matching coloured clothes.</p>
<p><b>Chorus Roles:</b>  <b>Woodland animals:</b>          Fox          Rabbit          Squirrel/Wolf? - Jasmine          Badger  <b>Peter Pan/Mouse: Trixie</b>  <b>3 Little Pigs Olympia, Willow/Emily</b>  <b>Mad Hatter - Bailey</b>  <b>Woodcutter - Amelie B</b>  <b>Pinocchio - Nancy</b>  <b>Aladdin - Freya</b>   <b>DR. Who/Animal - Amy</b>   <b>Tinkerbelle - Isabelle</b></p>	<p>Each child should know which animal they want to be. Face paints would be good and then just match similar colour clothing, leggings etc.</p> <p>We have three Pig Masks          We have a top hat          Chequered top and trousers and axe          Shorts, Chequered shirt, braces and strings hanging from arms          Aladdin - baggy clothes          Depends which Doctor Amy wants to be, but long scarf and hat usually does the trick          Green outfit with wings</p>
<p>Please note that it may seem stressful collating many different outfits for the odd scene but the chorus should be animals predominately and if wanted they can start the show in the opening song as their second character for the opening number or can just stay as an animal. The extra characters can be done without as the Mad Hatter, Pinocchio etc are trying to bring Snow White back to life in one scene</p>	<p><b>Could you please make a list and come along next Friday to discuss with Dorothy what we will need to get and make as we have a couple of people willing to organise costumes this year.</b></p>

**If you are happy to make some costumes please let me know a.s.a.p.**
